# ABOUT US

D-sign Digital Company is your Sacramento marketing team. We specialize in design, website implementation, bulk sms services, social media management, brand development, and more. Our focus is always to make YOU look fabulous. Let us help you with your next project. As a full-service digital marketing agency, we provide web design, internet marketing, SEO, social media, Invoice system management, email marketing, content writing and web hosting services to businesses large and small that are looking to broadcast their messages more efficiently.

What started as a one-man shop has blossomed into a full-service digital marketing agency. Today, D-sign is a unique, close-knit team with experts in all facets of internet development: strategic, creative and technical. As we grow, we are committed to the ideas that founded our success.

# OUR SERVICES

## 1. HOSTING AND DOMAIN

We are a reputable partner providing personalized cloud hosting services in Kenya befitting each of your needs. If you are looking to scale your operations from where you are now to the next level, you are in the right place. Our web hosting packages, domains, and servers come with adequate resources to fuel your growth.

## 2. DIGITAL MARKETING

We will bring you the online exposure you need to succeed. From basic Search Engine Optimization (SEO) to advanced Social Media Marketing campaigns, we do that by providing you with the best options for your budget.

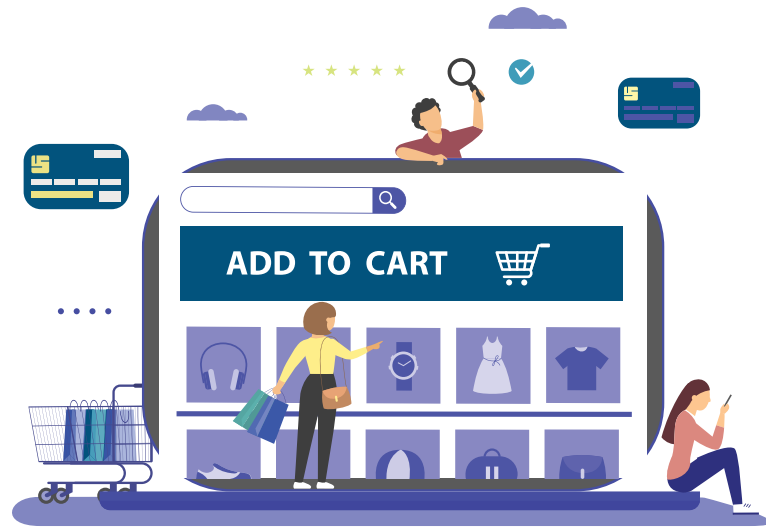

Our clients know that we are fans of natural, organic growth. That is why D-SIGN is on Google page 1, position 1 for our industry. That is how you found us. What best example there can be about our knowledge of this field?

Nonetheless, often timing is more important. That is why a well done PPC campaign can bring the necessary results fast and efficiently. And we can help you with that.

### 3. E-COMMERCE

eCommerce is the future. Use the D-sign Digital and create your online store. D-sign Digital will build a high-end online shop, clever, elegant, and easy to use. On the latest technologies like Shopify or WooCommerce.

### 4. WEBSITE DEVELOPMENT

Would you like a beautiful, effective website your company can be proud of? We design and develop engaging websites like this everyday.

We are a team of experienced web designers focused on how a site looks, performs, and works to engage users.

Web design – when it's done properly – can be a complicated business. Getting your project from creative concept to a cracking completion involves all kinds of specialist skills and knowledge: everything from design, layout and information architecture through to technology choice, development and content management systems.

## 5. GRAPHIC DESIGN

Need to make a lasting impression? The right combination of colors, shapes and words will define your brand. Get the perfect logo and ensure your branding hits the spot with these services.

## 6. SEO SERVICES

We will bring you the online exposure you need to succeed. From basic Search Engine Optimization (SEO) to advanced Social Media Marketing campaigns, we do that by providing you with the best options for your budget.

Our clients know that we are fans of natural, organic growth. That is why D-SIGN is on Google page 1, position 1 for our industry. That is how you found us. What best example there can be about our knowledge of this field?

Nonetheless, often timing is more important. That is why a well done PPC campaign can bring the necessary results fast and efficiently. And we can help you with that.

## 7. WEBSITE MAINTENANCE

By subscribing into a website maintenance plan with D-SIGN DIGITAL, we can help your website keep up with the ever-changing and evolving industry.

D-SIGN DIGITAL is one of the leading web site maintenance agencies. Our web maintenance packages cover everything that your website may need – from simple content updates to extensive design updates.

## 8. BULK SMS SERVICES

We are among the few companies who have a true bulk SMS program, priding ourselves at a capacity of 10,000+ SMS per second.

Secondly we have the cheapest prices with sender ID going at KSh 2,999 for Telkom and KSh 5,800 for every other network – a once in a lifetime investment and every SMS at KSh 0.20 which is a flat rate across all networks. That is; no minimum purchase and no credit expiry. Our system is very robust with features such as delivery reports, scheduling and importing from Excel file. We also have a well developed API that can be integrated to any system. How far we can reach? We are linked to many mobile network operators across 190 countries. This is the power your business needs!

## 9. INVOICING SERVICES

The features you want, the simplicity you need! Beautifully designed for best User Interface & User Experience. The software That Works For YOUR Business! Get growing – with affordable, scalable business software. Find innovative ways to manage customers data, communicate with customer, know your business cashflow, net worth, send invoice to customer Hassle-free with single click payment reminder, payment confirmations & get paid online integrated with payment gateways.
